2. Name and explain in a few sentences three different types of abuse?
3. Name 3 findings from the Scottish Child Protection Audit.
4. What are the main themes of the Children (Scotland) Act 1995?
5. What underpins the Children (Scotland) Act 1995?
6. What does Child Protection Mean?

13. What is the name of the form that should be completed in the event of a Child Protection Concern?

14. In the event of a child disclosing abuse to you, what is the immediate priority?

OUR AIMS FOR THIS SESSION WERE TO:

Increase awareness of indicators of risk to children, and your responsibilities towards children who may require protection – have we done this?

Look at some recent enquiries and what we have learned from them – have we done this?

Look at current legislation – have we done this?

Look at the Fife inter-agency guidance – have we done this?

Look at ALE guidance and procedure – have we done this?

Please use the space below to note down anything you want clarity or further discussion on, and I will contact you to talk it through.
